

OEFC is excited to kick off our annual **Paint the Pitch Pink** Program in support of the Fight against Breast Cancer.

During the month of **October**, we encourage all teams to wear the 2020 **Paint the Pitch Pink** t-shirts to all practices and pregame warmups. We invite all players, friends, and families to join in and "**Paint the Pitch Pink**" and paint the sidelines as well!

This year we will once again partner with local organization **Project 31!** They proudly benefit all our communities through Support Groups, Counseling, Mentoring, and many additional services. In past years, they have hosted a wonderful Gala for those who are battling or survivors of Cancer and support hundreds of Cancer Survivors through their recovery!

To learn more about Project 31 and their services to our community, go to <http://www.project31.us>.

Additionally, this year we will be setting aside a portion of the money raised to support our own families that have an immediate family member who is battling Breast Cancer. These funds will go towards offsetting player dues for these families as they "Bring Energy to the Fight". So, every tshirt purchased will contribute to supporting our community as well as our own membership.

Shirts are \$20 each.

**Last day to place team orders is [Sunday, September 20th](#).**

**Orders must be placed as a team. Please coordinate through your Team Manager to place your order.**

Days, Time, Location of Tshirt Pickups will be communicated to the Team Managers at a later date.

Please join us in supporting this very important cause as every tshirt purchase makes a difference. We greatly appreciate your support!
