

Dear Coach _____ ,

My name is _____ . I am a rising sophomore at _____ high school and will be graduating in 20XX. My current club team, Oklahoma Energy XX, will be traveling to _____ Showcase (calendar date) and I would like to see if you or someone on your coaching staff will be attending this event. I am interested in learning more about the opportunities your institution might offer both athletically and academically. I am hoping to study, _____ and know your school has a great reputation.

I play center back for our club team and we have only conceded 4 goals to this point in the season. Strong defending isn't always an area that gets a lot of recognition but our back line takes pride in helping our team tough to beat. I have also scored three goals from set pieces!
