

Oklahoma Energy Football Club is making a “pitch”, and we hope you will help! At OEFC, we believe that every child with a passion for soccer deserves the opportunity to play, learn, and grow within a supportive and inclusive environment. However, financial barriers often hinder these dreams. We are thrilled to announce the establishment of the Oklahoma Energy FC Players’ Endowment Fund, designed to address this challenge directly.

Contributions to the endowment, managed by the Oklahoma City Community Foundation, will directly impact the lives of underprivileged children by covering the essential costs associated with soccer participation. The fund will not only support current players but also serve as a perpetual resource for generations to come.

Our mission at OEFC is clear – to provide the best development and competition for players of all levels in our state. With your support, we aim to eliminate financial barriers, allowing every child who loves soccer to participate fully. Through this Endowment, Donors can rest assured that their money is directly contributing to the development and well-being of aspiring young athletes.

As we continue to strive for excellence in our programs, we invite you to join us in building a legacy of accessibility, inclusivity, and passion for soccer. Your support will enable OEFC to fulfill its mission and propel the next generation of soccer enthusiasts into the next phase of the evolution of our game.

Thank you for considering this opportunity to invest in the future of soccer in Oklahoma City. Together, we can make a difference in the lives of children who dream of playing the beautiful game.

**Sincerely,
Christy Gordon
